

David R. Reed
Vice President, Operations

March 1, 1996

To whom it may concern:

This is to inform you that we have done business with Yun Industrial for approximately one year. We are pleased that all Electronic Assembly/Rework projects have been conducted by Yun Industrial Co., Ltd. in a highly satisfactory manner.

Stephen and his staff have always been most efficient and have always met our deadlines. We feel very confident with their work and will consider doing business with them on future projects should they arise.

Sincerely,
